

# Welcome...

...to Plas Ifan Hotel and Restaurant, and welcome to our new menu! Those of you who have visited before will notice some changes to the look, layout and content of our menus, however the same good quality food will be served for many years to come.

As a family run business Plas Ifan has the freedom to experiment and try new things, whilst still maintaining the high standards of service and quality. We aspire to consistently meet your expectations, and therefore welcome your views and feedback during your visit.

At Plas Ifan we always encourage you to try something different, something new that you haven't tried before. For example, Spitting Feathers, our current 'guest' brewery, based in Waverton, produce great beers such as 'Thirst Quencher' and 'Old Wavertonian'.

Why not take a look outside and explore our garden whilst the kids play football, or even count how many fish they can see in our three ponds. We're also looking to expand the gardens later this year to offer you even more opportunity to relax and enjoy your stay.

In addition to our new menu we also offer 'Table D'Hote' menus which are great for larger parties. Prices start at £13.50 per person. Don't forget as well our great value Sunday Lunch is served every week between 12 and 2 and costs just £10.95 for 3 courses.
